

THE CROWN CHRONICLE

Fall 2022

Jesse Doucette

NH Gas Licensed
CSIA Master Certified

Visionary. Advocate. Educator. Leader.

Did you know that our very own Jesse is a valued **local** resource serving as Chair on the NH Mechanical Board? On the **national** stage, Jesse is a Chimney Safety Institute of America (CSIA) Board member and the Chair of the Education Committee for the National Fireplace Institute (NFI). Did we mention that Jesse is a **global** champion for chimney professionals serving on the Board of the International Residential Code (IRC)?

Jesse is distinguished in the field - a Master Certified Chimney Sweep through the CSIA, a Certified Fireplace &

**Crown Chimney is your first
line of fire prevention -
here's why!**

Credentials
Matter

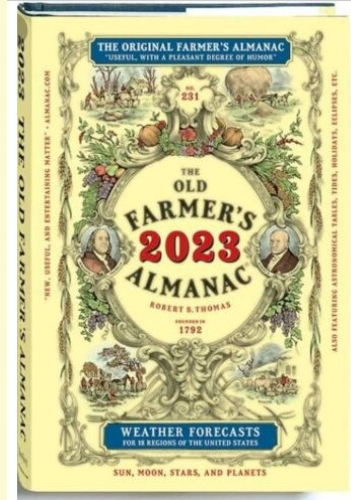

***We recommend a safer
storage option***
Safety First! Remember to store
wet ashes in a covered metal
container (outdoors) and away
from combustibile materials.

Chimney Inspector by Fireplace Investigation Research and Education (F.I.R.E.), a Master Chimney Professional with the Certified Chimney Professional organization and a Certified Gas Specialist credentialed by the National Fireplace Institute.

As a Crown Chimney customer you can rest assured that our technicians are fully certified and trained to the highest standards. Education sets us apart in the industry - and our work reflects it!

Giving Thanks

At Crown Chimney we give thanks to our customers every day; we appreciate your business and allowing us into your homes.

In celebration of Thanksgiving, our office will be closed on Thursday, November 24 and Friday, November 25. From our family to yours, all best wishes for a safe and warm holiday!

Q: How did the turkey get home on Thanksgiving? A: He took the *gravy* train!

Wood Stove and Fireplace Safety

As cooler weather approaches, many area residents are beginning to use their

The Perfect Fire

Inviting, cozy and hot-chocolate approved...click on the link below to learn how to get the most out of your wood-burning appliance.

woodstoves and fireplaces for the first time this season. The Hooksett Office of Emergency Management and the Hooksett Fire Department is offering some safety tips for the proper use and operation of these appliances... [read more](#)
