

THE CROWN CHRONICLE

Winter 2023

The Best Time Of Year For A Chimney Inspection (It May Not Be What You Think)

We know it is coming but winter always catches us by surprise ... Mother Nature throws us a frigid day in September and suddenly we are swapping out the t-shirt for a comfy hoody, substituting sweet tea for pumpkin-spice coffee, replacing outdoor barbecues with indoor holiday meals and fondly reminiscing about sand castles on the beach as we prepare for snowmen in the yard. If the leaves are starting to change, you have missed the mark; the Fall season is **not** the time to prepare for warmth and comfort. And think about it – to inspect/sweep your flue means the

stove or fireplace you're using must be cool to the touch (a/k/a **not** "on")! This CSIA [video](#) highlights the three different chimney inspection levels.

Scheduling your inspection in the spring or summer is the **best** time for preventative maintenance. Not only do those musty creosote odors get brushed away, but you are also proactively ensuring repairs are addressed, your liner warranty is covered, and you are prepared for the upcoming heating season!

How To Build a Fire

'Tis the season! Stay safe and warm this winter. Click [here](#) to learn how the experts build an easy, economical and ecological fire.

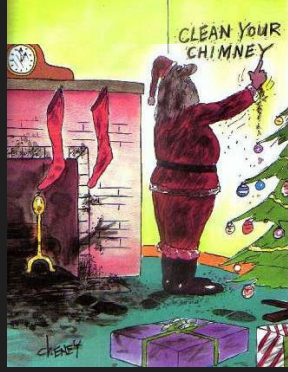

Get a Handle on Your Fireplace Damper!

A chimney damper is a manual mechanism that controls airflow and smoke through the **chimney flue**.

A closed damper acts as a seal that keeps the exterior air out and the interior air in. In contrast, an open damper sends **carbon-monoxide rich** exhaust through the flue and also assists in starting and controlling a fire.

The CSIA offers advice on properly using a damper in this [video](#)!

Q: What does Santa suffer from if he gets stuck in a chimney?
A: Claus-trophobia

In celebration of Christmas, Crown Chimney will be closed the week of December 25. Normal business hours will return on Tuesday, January 2.

From our family to yours, all best wishes for a safe and warm holiday season!

'Twas the night before Christmas when all through the house ...

The Sweep Before Christmas

The Stockings Were Hung by the Chimney with Care

There's something special about holiday decorations and a glowing fire to warm up celebrations but always practice safety and remove decor from your appliance when it is in use.

HAPPY NEW YEAR

Chimney Sweeps and pigs are thought to bring good fortune. In towns long ago on New Year's Day, chimney sweeps would stroll through the streets with a pig while locals would pay a fee to make a wish on a strand of the boar's hair! Warm wishes for 2024!

CAN WE COUNT ON YOUR VOTE?

Crown Chimney strives to be a "Best Of" NH Business. Do we make you feel like a part of the family? Pay attention to all the details? Have employees that go above and beyond? Are we a business you trust to meet your needs and offer peace of mind?

If you think we are worthy of the Best of Business Award, please [VOTE](#) before December 29. HINT: Specify "Crown Chimney" as a write-in candidate for category #15: "General Contractor."
